

REACH Statement

(Registration, Evaluation and Authorisation of Chemicals)

The European Union's REACH Directive (EC 1907/2006) is designed to regulate the Registration, Evaluation, Authorisation and Restriction of Chemical Substances.

The Tibbetts Group declare that it does not produce or import any goods that contain chemicals considered as SVHC (Substance of Very High Concern) under REACH regulations.

The Tibbetts Group companies review the REACH regulations annually with its entire supplier base.
