

Quality Inspector - Stokenchurch

The Company:

Tibbetts Group is a family owned business established over 37 years ago, with approximately 130 employees across 4 locations. The business has a global customer base selling in over 22 countries with global revenues of over £50m. We are a business that prides itself in serving blue chip companies as customers and are regular award winners with fast track 250 for export and Oxfordshire Business Awards.

Role Overview:

The primary responsibility is to inspect and verify incoming products to ensure conformity to specification and to report to Quality Control Team Leader.

Key responsibilities include:

- Inspection of incoming products including review of supporting documentation
- Inspection of stock to ensure conformity to specifications, identification, traceability and freedom from contamination/deterioration
- Liaising with customers and suppliers as required
- Supporting other departments with technical queries

Experience / skills:

- Knowledge and/or experience in using digital and mechanical measurement equipment
- Ability to read and understand technical drawings
- Proven experience in a prior supplier or customer facing role
- Intermediate level of Microsoft Office, mainly Excel
- Experience in an engineering or technical industry advantageous

The benefits:

- Annual bonus scheme
- Long service incentives
- Stakeholder Pension scheme
- Life insurance
- Health shield cash plan scheme
- 23 days annual leave rising to 25 days on 5 years' service + bank holidays
- Excellent modern new facilities

Job details:

- Application deadline – Tuesday 22nd October 2019
- Full time - 40 hours per week
